RIDE TO THE WALL is now in its 10th year!

Through the hard work and dedication of the large number of volunteers and a small committee, we have created a unique and memorable annual pilgrimage to the **National Memorial Arboretum**, Staffordshire, to remember the names on the walls and memorials. Those that can no longer ride by our side..

This year, like every year, will see thousands of motorcyclists and non riders meet on the **7th October 2017** to attend the 10th annual **RIDE TO THE WALL**. We would love if you would please join us for this moving and memorable event and if there is any more information you need please feel free to contact a member of the **RTTW** team or visit **RTTW.ORG**.

We hope to see you there!

Kind regards,

Martin Dickinson, Founder of **RIDE TO THE WALL**.
